In reply refer to:
Agreement-Conkelly SS, P. 1
Contract No. 14-03-51684
and
Conkelly Substation, P. 1 & 2
and Access Road No. 1 & 2

Mr. C. J. Hansen
The Anaconda Company
P. O. Box 3039
Tucson, Arizona 85702

Dear Mr. Hansen:

We have redrawn page 1 of the enclosed Agreement, adding at the end of Paragraph 1 the inclusion of BPA's crossing of your road, rail line and 13.8 kv power line.

We have redrawn page 2 to add to Paragraph 4 the phrase you suggested in your letter of June 14, 1965.

Enclosed are the original copy of the Agreement with the revised pages 1 and 2 attached, and two extra copies of pages 1 and 2 to be attached to the two copies of the Agreement you have.

In regard to the deed for the Conkelly Substation Site, Parcels 1 and 2 and access road No. 1 and 2, we are enclosing copies of our legal descriptions of the substation parcels and access road, together with three copies of map No. 129200 DTM-D, with the access road colored in red.

We believe the deed can be prepared now and will look forward to receiving it in due course, together with the executed voucher certificate which we sent you on April 16, 1965.

Sincerely yours,

E. E. Grant
Principal Title Officer
Branch of Land
